SUBJECT: SAM (C-06-1022-110, 140) GRANT CONDITION

Special Grant Condition No. 13 of C-06-1022-110 and 140 called for the constituent entities of the Sewer Authority Mid-Coastside (City of Half Moon Bay, Granada Sanitary District and Montara Sanitary District) to agree to pay their shares of the project including the reimbursement provision. SAM has amended their joint powers agreement (July 2, 1979) to reflect their agreement. This approach was determined to be acceptable to Margery Knapp on October 1, 1979. Therefore, grant payments need not be withheld because of this condition on Step 3 grants C-06-1022-110 and 140.
